25. (Confidential - PLC) LIAISON Called John Swanner, Staff Director, House Committee on Standards of Official Conduct, and we discussed the Committee's return of the notes in accordance with the DCI's request in his letter. Swanner requested that I specifically identify all of the notes. I will have to do this with EA Division. Swanner said he has little involvement in this matter which has been run by Jaworski purely as his own show, not under the control of Chairman John Flynt (D., Ga.). Swanner said that according to John Nields, Chief Counsel, the information provided by CIA did not contain any information concerning NSA. I confirmed that this was correct. Swanner also said that he was told that NSA did not send any documents to the Committee and did not allow any notes to be taken of documents made available for review. He asked that I check to determine whether or not the Committee was given access to the information concerning NSA which was reported in the press. If such is the case and the DCI feels there is "probable cause" to believe that the leak came from the Committee, then Swanner feels the DCI's position is clearly warranted. If, however, the finger cannot be pointed squarely at the Committee, he feels that the DCI's letter was unfair and might yet result in a strong reaction of rebuff from the Committee members.

✓26. (Unclassified - JMD) LIAISON Mary Medved, Washington Workshops, called and asked if the Director could speak to their group on 23 or 30 June in the afternoon at Headquarters. I told her I would check and be back in touch.

27. (Unclassified - JMD) LIAISON Called Betty Dooley, House Women's Caucus staff, and asked if they could arrange for 19 July between 3:30 and 4:30 p.m. for the Director to speak to the group. This is in response to their request for this date. Ms. Dooley said she would check and be back in touch with me.

28. (Unclassified - JMD) LIAISON Confirmed with Clara Buchanan, Senate Foreign Relations Committee staff, the Director's appearance on 21 June at 3:30 p.m. in S-116 of the Capitol to brief on the 7 June 1978 Presidential finding.
